

Multi SOL

MULTI-ENZYMATIC DETERGENT WITH MICELLAR DEGREASER

Multi-enzymatic detergent with micellar degreaser enriched with solvents of natural origin.

- It eliminates even the most stubborn stains (oil and grease).
- Multi-surfactant degreasing formula for a wide spectrum of action.
- Formula with 4 Enzymes: Protease, Amylase, Lipase and Cellulase for a thorough stain removal and an odour-eliminating action.
- Effective even with cold water.
- Stabilising complex for different degrees of water hardness.
- Ideal to remove stains from collars and cuffs without pre-brushing.
- Suitable also to wash tablecloths and for the Ho.Re.Ca. sector.

Code: A39-570K
