DeoSofteners

All HygienFresh® DeoSofteners have been created with a special **Odour-eliminating Formula** that absorbs and neutralises unpleasant odours.

Moreover, the **Super-concentrated Formula** allows you to achieve excellent results with a small quantity of product.

Available in 9 pleasant, intense and long-lasting fragrances.

The “velosoft” effect protects fabrics and makes them incredibly soft.

A COMPLETE RANGE OF PROFESSIONAL PRODUCTS
to perfume, protect and take care of your garments!
