

SHIRT CONDITIONER

PRODUCT DESCRIPTION:

Sizing agents for shirts with starching effect and “Perfect Look” system

- “Perfect Look” effect: for a dressed shirt and with brilliant colours
- Reduce wrinkles at the end of the wash and facilitates ironing
- Light sizing without any heating treatment
- After its use it is possible to iron with iron or with steam shirt finisher or mangle to obtain a super sizing.

DIRECTION FOR USE:

Hygienfresh® Shirt Conditioner has to be used in the last rinse, with a limited water level and a low spin cycle (max 800 RPM).

Product for professional use only.

For a light sizing → Leave the garment dry at room temperature and iron with a low temperature;

For a strong sizing → Slightly dry with the dryer and iron with iron or with steam shirt finisher or mangle with a medium-high temperature (ensure that the temperature is compatible with the garment fibre)
