

ODORBLOK Multifunction odour neutraliser

PRODUCT DESCRIPTION:

OdorBlok is the revolutionary multifunctional odour killer **tested by the University of Turin**.

Quick and efficient, it neutralizes all kind of odours, even the more persistent ones, thanks to its special formula and releases in the environment a fresh perfume. It can be used on every kind of textile, it doesn't stain and doesn't require any further treatment.

- It contains two innovative molecules active against all residual odours
- Easy and practical to use, both on tex and air
- It releases a fresh laundry sensation (Note di Pulito parfum)
- It can be used on any kind of garment
- It doesn't cover the odour, it eliminates it forever
- It doesn't stain and doesn't leave halos

DIRECTION FOR USE:

Spray on garments at a distance of 30cm before or after wash. Wait for some seconds to obtain odour elimination and smell a pleasant and exciting laundry sensation.

It can be used on both garments and in the air (curtains, garbage, shoes, clothes, garments in contact with animals, car interiors etc.)

Test the product on a hidden part of the garment before its application.
