

ODORBLOK Long Life

PRODUCT DESCRIPTION:

Long Life is the innovative additive for the cleaning and maintenance of the washing machine. It eliminates dirt and limescale and carries out an anti-odour and hygienising action. Odorblok Long life is a polyvalent product for the washing machine maintenance:

- Double action: protection and maintenance
- Eliminates bad odours
- Eliminates the remaining dirt
- It deeply cleans all washing machine parts
- Eliminates limescale residues by increasing the wash performance and decreasing electricity consumption.
- For a complete and long lasting maintenance it is recommended to repeat the wash cycle once a month or every two months.

DIRECTION FOR USE:

1. Make sure that the washing machine is empty
2. Clean the detergent compartment with a small quantity of product
3. Remove the residual dirt from the gasket with a sponge
4. Pour all the content of the bottle into the detergent compartment
5. Do a washing cycle at 60°, without the pre-wash
