

MULTI-USE SCENTED SPHERES Fior di Cotone

PRODUCT DESCRIPTION:

Multifunctional scented spheres to perfume small spaces such as wardrobes, drawers, sports bags or the clothes in the tumble dryer

- In the tumble dryer they spread the perfume evenly during the drying cycle
- Wide contact surface, obtained from lamellar inlays that facilitates the passage of hot air
- Spherical shape which allows the movement among the fabric's plagues and the rotation inside the dryer basket
- Up to 40 drying cycles
- It perfumes wardrobes and drawers for months
- Long lasting fragrance to perfume garments

DIRECTIONS FOR USE:

- **WARDROBES AND DRAWERS:** Extract one of the two spheres from the blister protector and put it where you want to perfume. It perfumes for months.
- **DRYER:** Extract one of the two spheres from the blister protector and put it into the dryer to start the drying cycle. Re-use the sphere for 20 drying cycles before use the second one.

WARNING: It is recommended to wrap the sphere in a cloth to not put it in direct contact with garments, cupboards or delicate surfaces. In the dryer avoid cycles with temperature higher than 100°C. Wrap the sphere inside a thick cloth in case of stressful cycles (useful even to reduce the noise).
