

MULTI SOL

PRODUCT DESCRIPTION:

Multi-enzymatic detergent with micellar degreaser enriched with solvents of natural origin.

- It eliminates even the most stubborn stains (oil and grease).
- Multi-surfactant degreasing formula for a wide spectrum of action.
- Formula with 4 Enzymes: Protease, Amylase, Lipase and Cellulase for a thorough stain removal and an odour-eliminating action.
- Effective even with cold water.
- Stabilising complex for different degrees of water hardness.
- Ideal to remove stains from collars and cuffs without pre-brushing.
- Suitable also to wash tablecloths and for the Ho.Re.Ca. sector.

DIRECTIONS FOR USE:

It can be used to wash both white and coloured garments and on all fabrics (cotton, denim, resistant synthetic fibres, etc.). Do not use on delicate clothes or wool.

Product intended for professional use only.

If it is used for pre-brushing, it is necessary to try it before on a hidden part of the fabric.
