

SALVACOLOR

PRODUCT DESCRIPTION:

Liquid detergent with an action to “protect colours” for the washing machine and hand wash. It is specific for coloured garments.

- It contains additives and polymers which protect colours and avoid colour transfer.
- It gives colours a particular brightness
- It is delicate on colours and garments
- It avoids discoloration and the re-deposition of unfixed colours
- Phosphates, silicates and alkalis free
- New and exclusive fragrance

DIRECTION FOR USE:

HygienFresh® SalvaColor can be used on natural and synthetic garments both hand wash and in the washing machine.
